RETAIL SALE OF Tobacco, Smoking Hemp, and Vapor Products
EMPLOYEES' SIGNED TRAINING STATEMENT

Under Tennessee law, the owner or manager of a store that sells tobacco products at retail must provide training to the store's employees concerning the Tennessee Prevention of Youth Access to Tobacco, Smoking Hemp, and Vapor Products Act. As part of this training, each employee must, prior to selling tobacco products at retail, sign a statement as follows.

I understand that state law prohibits the sale of tobacco and smoking hemp products to persons under eighteen (18) years of age and that state law requires me to obtain proof of age from a prospective purchaser of tobacco and smoking hemp products who, based on appearance, might be as old as twenty-six (26) years of age. I promise to obey this law, and I understand that monetary or criminal penalties may be imposed on me if I violate this law.

Tenn. Code Ann. §39-17-1509(e)(1).
